Outcome Information

Enter the Date Acknowledged by the referral recipient, Appointment Date and Time, Result Date and Result.

2 Result Date:

3 Provider Result:

4 Referral Result:

5 Comments:

6

2. Confirm the Result Date
3. Enter the Provider Result
 - o Rejected – provider denied the referral
 - o No Show – no contact/communication from client
4. Enter the Referral Result
 - o Unsuccessful referral: client rejected
 - o Unsuccessful referral: provider rejected

Note: If the Provider Result is "Rejected" then Referral Result should be "provider rejected". If the Provider Result is "No Show" then Referral Result should be "client rejected".

5. Add any comments if needed. Note that some Results may require comments.
6. Click Save
