The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;

- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

## 4. Reallocation - Grant(s) Reduced Details

### Instructions:

For guidance on completing this form, please reference the FY 2022 CoC Priority Listing Detailed Instructions and FY 2022 CoC Priority Listing Navigational Guide on HUD's website. [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**4-1 Complete the fields below for each eligible renewal grant that is being reduced during the FY 2022 reallocation process. Refer to the FY 2022 Grant Inventory Worksheet to ensure all information entered is accurate.**

**Reduced Project Name:** My Residence - Rapid Rehousing  
**Grant Number of Reduced Project:** TX0085L6T002114  
**Reduced Project Current Annual Renewal Amount:** \$450,935  
**Amount Retained for Project:** \$360,748  
**Amount available for New Project(s):** \$90,187  
(This amount will auto-calculate by selecting "Save" button)

**4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)**

The CoC utilized its reallocation and ranking policy to determine projects eligible for reallocation. The independent review committee, a CoC board committee, reviewed project scorecards and determined the project's rank order and need for additional support. Since Tier 1 did not cover the CoC's complete Annual Renewal Demand for FY2022, the CoC could not place all renewals in Tier 1 in alignment with the Reallocation's Policy focus of protecting renewals with additional support for performance improvement planning. The lowest performing projects were placed in Tier 2 and followed the ranking policy. To allow renewal projects to remain in the competition, projects were reduced in proportion to the latest expenditure rates comparatively with available bonus funding.

All projects were notified of funding decisions on 9/14/2022.
