

# Case Management Provider RFQ

## **Purpose**

The All Neighbors Coalition (ANC) will issue a Request for Qualifications (RFQ) to establish a qualified pool of service providers capable of delivering:

- Case Management
- Housing Navigation
- Service Coordination

The RFQ is intended to support both current and future projects administered by Housing Forward as the Continuum of Care Lead Agency.

The provider pool will be utilized for local, state, federal, and other funding opportunities as they become available.

## **Goals**

### **Create a Qualified Provider Pool**

Establish a standing roster of agencies that demonstrate the knowledge, skills, experience, and infrastructure necessary to deliver housing-focused case management services.

### **Support Future Funding Opportunities**

Allow Housing Forward to rapidly deploy funding when new opportunities arise without conducting a full procurement process each time.

### **Differentiate Funding Eligibility**

Federal funding assignments should prioritize agencies with demonstrated experience managing:

- HUD Continuum of Care grants
- Federal pass-through funding
- Cost reimbursement contracts
- HMIS compliance requirements

## **Proposed Timeline**

<b>Activity</b>	<b>Date</b>
RFQ Posted in Amplifund	June 22, 2026 5:00PM
Application Opens	June 22, 2026 5:00PM
Application Deadline	July 10, 2026 @ 11:55 PM
Review Period	July 11 – July 31
Award Announcements	Tentatively August 1, 2026
Provider Pool Active	August 2026 – August 2027

### **Funding Structure**

Potential funding may include:

- Local Government Funding
- Federal Funding
- Federal Pass-Through Funding
- Private Funding
- Other Funding Sources

Funding availability will vary throughout the year.

### **Award Structure**

Because projects may arise at different times:

- No predetermined award amount
- Awards made on an as-needed basis
- Funding amounts determined by individual project opportunities

### **Payment Method**

- Reimbursement

### **Eligibility Requirements**

Eligible applicants must:

- Be a nonprofit organization
- Be a current member of the All Neighbors Coalition

### **Previously Qualified Applicants**

Organizations that successfully completed the October 2025 Case Management RFQ or the December 2025 NOFO RFQ and were determined to be qualified are not required to submit a new application under this RFQ.

Previously qualified organizations will remain eligible for consideration under this RFQ, provided that:

- The organization remains in good standing with the All Neighbors Coalition;
- Required organizational and financial documentation remains current; and
- There have been no material changes to the organization's capacity, financial condition, or ability to perform the services described in this RFQ.

Housing Forward reserves the right to request updated documentation or additional information from previously qualified organizations as needed.

Organizations that were not determined to be qualified through the October 2025 Case Management RFQ or December 2025 NOFO RFQ must submit a new application to be considered under this RFQ.

### **Programmatic Requirements**

Agencies must agree to:

- Receive all referrals through the All Neighbors Coalition's Coordinated Access System (CAS) and or the Housing Priority List (HPL).
- Fully participate in the Homeless Management Information System (HMIS).
- Deliver services in accordance with the All Neighbors Coalition Program Model(s).
- Attend required annual training to include topics such as but not limited to: HMIS and Security and Privacy best practices.
- Agencies must meet the following financial management thresholds:
  - Agencies must have the ability to execute and manage a cost reimbursable contract
  - Agencies must have completed an independent audit or a review of certified financial statements within the last 18 months.
- **The IRC will not score any application that fails to meet the financial management thresholds.**

### **Minimum Passing Score**

Applicants must receive at least:

**75% of Total Available Points** to be considered eligible for placement in the provider pool.
